all sorts of roseat promises to the masses. But the same cannot go in for ever. Already there is discontent among peasants and labourers and the breaking point may sure be reacted. The Hindu Congress is most unsympathetic to the Muslims who are holding absolutely aloof from it and have their own organization, the All India Muslim League which is growing in strong every day. In India itself the Congress which happens to be in power in several provinces and which is really an out and out Hindu body is led by communist agents like Jawahar lal, Subas Bose, M.N. Roy and others they hold out
